

Innovation Project Application

Library: UWF Historic Trust

Project Manager: Jacquelyn Wilson

Phone: 850 595 5840

Email: jwilson2@uwf.edu

Name of Project: Book and paper conservation

Project Amount requested: \$1717.25

Scope of the Project: To place delicate books and papers into custom made protective, removable archival coverings.

What need in the library/community will this project address? We house delicate papers and books in archival polyester film. This requires us to stock a lot of different sizes of expensive polyester sleeves. With the CoLibri system we can make custom fitting sleeves and book covers as needed.

Resources required: \$1,495 (CoLibri system) + \$222.25 (set of CoLibri pouches)

Activities/Timeline (include estimated completion date): This will be an on-going project.

How will the library sustain this project? We will have fund available to purchase supplies for the CoLibri system.
