

# Great sites for pictures and music you can use in your projects

	Attribution – you must acknowledge the author of this work if you use it, and comply with any conditions they require (such as, for example, a link back to their website)
	No derivative works – you can only use this work as it is. You are not allowed to adapt or modify it.
	Share alike – if you create anything that is based on this work, you must share it with other people under the same licence as the original work.
	Non-commercial – you must not use this work, or anything based on this work, for commercial purposes.
